Dear Sir or Madam,

My name is Nancy Vaughn and I am the Executive Producer of Tampa Bay Fashion Week. I am writing in strong support of Ms. Deanna DeRosa, who has served as a volunteer member of the Tampa Bay Fashion Week committee since 2009.

Ms. DeRosa reported directly to me and I have had the pleasure of watching her develop and hone her professional and personal talents. She is a hard worker, takes initiative and has always been focused on learning and growing her skills. Ms. DeRosa understands the importance of gaining a solid, well-rounded education and has always looked to not only learn from those around her, but also share her knowledge to further enhance the life-long learning process.

A dependable and dedicated team player, Ms. DeRosa possesses the ability to work in a fast-paced environment and understands the importance of meeting deadlines. She is a dynamic team player who is adaptable, delightfully inquisitive and has an incessantly positive attitude, making her fun to be around and a true pleasure to work with.

Undoubtedly, Ms. DeRosa would be an asset to any team. Wherever Ms. DeRosa takes her knowledge and talent, the organization/company is sure to benefit. This is why I can confidently recommend her for any prospective employer or organization that needs to add a star player to their team.

If there is any additional information I may provide to assist you in learning more about Ms. DeRosa's skills and abilities, please do not hesitate to call me at 813.994.9807.

Sincerely,

Nancy Vaughn
Executive Producer
